## About Me

Reliable employee seeking Part Time Job position. Offering excellent communication and good judgment. Organized and dependable candidate successful at managing multiple priorities with a positive attitude. Willingness to take on added responsibilities to meet team goals.

## Experience

### Tech Mahindra Jun '22- Dec '22

Associate Software Developer

Updated old code bases to modern development standards, improving functionality. Collaborated with project managers to select ambitious, but realistic coding milestones on pre-release software project development. Acted as a bridge between the client and the development team and catered the clients needs and worked in customer service and business operations and also worked in development of softwares.

### Domino's India 2020-2021

Team Member

Keeping the store, the customer waiting area, and our store frontage clean, presentable and welcoming. Make the store ready for the customer and front and back house for the team.

## Education

### 2024

University Of  
Strathclyde

Msc Adv Computer  
science

A first year student studying MSc Advance Computer Science at the University of Strathclyde with an overall grade average of 90 %. My course has given me a good grounding in practical and analytical thinking. I have developed strong technical and critical analysis skills.
